## REQUEST FOR EXPRESSION OF INTEREST (EOI)

FOR ADDITIONAL DEMAND ON PRE QUALIFICATION OF MACHINERY AND EQUIPMENT OWNER

Ref.NO. ECWC/NCB/PS/45/2013

The Ethiopian Construction Works Corporation (ECWC) is a public enterprise established with the aim of becoming a leading, preferred, and competitive Construction Contractor in Road, Water, Building any other Civil Construction. Currently, ECWC seeks to establish a roster of machinery and equipment suppliers with demonstrable capabilities who will be invited to carry out construction of earthworks for its Building and Housing, Road and Bridges, water supply, Dam and Irrigation construction projects

Therefore, Ethiopian Construction works Corporation (ECWC) invites competent machine and equipment suppliers' having license on machinery and equipment supply and interested to work with fixed price rate set by the corporation to submit sealed prequalification application for expression of interest.

### Brief Scope of Work

The main objective of this expression of interest is to build capacities of local machine and equipment owner and suppliers by sub-contracting for Earthworks under ECWC of dam and irrigation, road and bridges, and building and housing construction projects found in different regions of the country.

The contractors shall execute contractually to be agreed works in accordance with provided design and technical specification to be furnished by ECWC by mobilizing the required machinery and equipment at the project sites. Interested companies /firms / must fill in the ECWC prequalification applications and submit relevant documents/information/ as to demonstrate that they are eligible and qualified to perform the stated works as and by ECWC. In principle, ECWC intends to use the outcome of this exercise for prequalification purposes in the context of procurement actions /opportunities to work with ECWC for three years,

ECWC works in all regions of the country and encourages the firms/companies from all regional states to submit application for prequalification with supporting documents.

The applicants should consider the following application procedures and documents:

1. The applicant shall bear all costs related to preparation and submission of this Expression of interest. ECWC will not be responsible or liable for those costs regardless of the result of the selection process
2. Incorrect, incomplete and inadequate application may lead to rejection of the application
3. All document must be submitted in English language
4. Applicants may be requested to clarification on submitted document,
5. ECWC has the right to reject the application without communicating the supplier
6. ECWC shall not provide explanation to applicants related to shortlisting and selection process, in this respect, ECWC decision shall be final and binding for all applicants
7. ECWC shall not enforced to pay advance payment for firms/ companies
8. Submission of documents shall as per the Terms of References given in the EOI
